

Standard Series Connectors

The Flomax standard series connectors consist of color-coded mating connectors. They are an all-metal construction with stainless steel wear components and anodized aluminum non-wear components.

FloMAX Lubricant Couplers

ERS / ENBL Series

- Universally fits all crankcase receivers, both R-series & Standard Series
- Incorporates 10 locking balls
- Resistant to clogging with greater ease of cleaning
- Smooth action
- Larger diameter pull back lanyard
- Bright anodized aircraft grade aluminum
